<b>Comments</b>	<input type="text" value="I would like to object most strongly to this application.&lt;br/&gt;&lt;br/&gt;1. The proposed plan will create large amounts of congestion on the surrounding roads, when stadium is in use.&lt;br/&gt;2. This in turn will lead to safety issues. Are pedestrians catered for in this plan ?&lt;br/&gt;3. A lot of pollution will be created by the increase of traffic in the area, especially buses lorries and other vehicles&lt;br/&gt;4 Being situated in low lying land, there is increased risk of flooding."/>
