Comments	<input type="text" value="I and my family for 3 generations have supported Oxford United. I moved to Cambridge some years ago but still buy a season ticket each season. During the week I have contact socially with Cambridge United Community Trust who provide excellent events for all ages and abilities. The new stadium will provide even better facilities for the community for the young and old and for all sections of the community. It would be a travesty to turn this application down on some minor point. The owners are providing an amazing amount of money which provide the facilities for Oxford and Kidlington"/>
