Comments	<input type="text" value="I am writing in support of Oxford United's new stadium. Having 2 footballing loyalties (brought up in Hove and supported Brighton and Hove Albion and a season ticket holder at the Amex) and now a season ticket holder at Oxford Utd (where I was based for work in 1989) as it has become too tiring to travel to Brighton and back.

The Amex had similar objections when it was planned and last year generated a contribution to the local economy of 595m. When they moved to the Amex they had just been promoted from League one in 2011. It would be a shame if the local community is deprived of an asset that will benefit far more people than just the football supporters"/>
