<b>Comments</b>	<input type="text" value="I am a both a lifelong Oxford United fan and (as importantly) a lifelong resident of Cherwell district. I grew up in Kidlington and now live in Bicester. Oxford United means a great deal to a great many people - both in Cherwell, in Oxfordshire and even further afield. It is a family club. that holds a vital place in our local community , a community in which it does great work to support local people , young and old. The location of this stadium is perfect ; Well connected, accessible and not in a residential area. Kidlington is not some rural idyl! or a picturesque Cotswold village - it has been clear for many years that it has become part of 'Greater Oxford' and the development of the N Oxford Golf course and planned housing in the area will only further consolidate this reality. I offer my full support and urge the council to support this application. Not to do so would be a betrayal of 130 odd years of history and would effectively end the club's existence - this would also be a betrayal to the tens of thousands of people (mostly local) that hold the club dear to their heart."/>
