Comments	<input type="text" value="I have been an Oxford United fc fan for over 30 years since the Manor ground days, I'm now 45 and I take my son to every home game and allt of away games also, he's 16 now and was 5 when I took him to his first game. We drive to all the home games as its such an awkward location to get to, if the stadium is built we plan to either get a train from Ling handborough or cycle if its a Saturday match, which would be alot of fun! Please approve the stadium so eventually my son can take his children to watch our beloved local football team, thank you."/>
