<b>Comments</b>	<input type="text" value="This proposed stadium will provide brilliant transport links from all around the county of Oxfordshire. It will greatly reduce the need for car transport &amp; will provide jobs and economic benefit for the people of Kidlington &amp; beyond. This investment into one of Oxfordshire's oldest institutions is fantastic &amp; the planning application and the 'Green Development' element of it will also enhance the biodiversity of the site.&lt;br/&gt;&lt;br/&gt;This will also provide jobs for the local area, provide much needed world class facilities for local sports teams &amp; investment into an area that greatly needs it."/>
