<b>Comments</b>	<input type="text" value="The stadium is required because the club is the heartbeat of Oxfordshire and the surrounding counties. This opportunity should not be taken away as it will have positive impact for our future generations who will have access to such a great leisure facility. These chances do not happen very often so please push forward with the plan as this will have major positive implications now, but also more importantly for all our future generations to come. THIS IS VITAL PLEASE DO NOT MISS THIS OPPORTUNITY"/>
