| Type | <input type="text" value="neighbour"/> |
| Comments | <input type="text" value="We support the plans for the new OUFC stadium at the site in Kidlington. The site has perfect accessibility for this facility for everyone in Oxfordshire to reach with ease and surely this was the purpose for the money being spent on upgrading the transport infrastructure. Lets have a stadium with good facilities that the people of Oxford can be proud of! Come on you U's!"/> |
