Comments	<input type="text" value="I would just like to remind the council that football is only played twice a month for nine months of the year. Also when the stadium is finally built Kidlington (and the whole of Oxfordshire!) will be proud of it for years to come. It will generate many jobs for locals. I'm sure the shops and pubs will benefit from the extra revenue that match days will generate. I am 82 years of age and have supported Oxford United for over seventy years. And will continue to do so. Thank you for reading this message."/>
