| <b>Comments</b>           | <input type="text" value="Seems an absolutely astonishing opportunity to have have a stadium built on a patch of 'grey' greenbelt (previously deemed toxic, not virgin countryside) right next to an existing travel hub with excellent connections. Being as I am in Essex I would be able to travel by train so much more easily.&lt;br/&gt;Then there's: Job creation. Youth sports facilities. World-class, environmentally friendly, flagship stadium that would bring visitors and prosperity to the area. New stadiums cause house prices to rise (look at Brentford and Brighton).&lt;br/&gt;Please don't let the club become homeless, help them thrive and reap the rewards."/> |
