Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="As a local resident for over 60 yrs, I feel I know the area and community well. Having a particular interest for Oxfordshire in general, enjoying the countryside and nature during many pleasant walks and runs over the years.

I believe this stadium for the community is just so important for Oxfordshire for the present and certainly the future for this growing area / population.

I urge all involved to please support this stadium project."/>
