Comments	<input https:="" ouitc.org"="" type="text" value="Oxford United, Oxfordshire's ONLY professional sports team, could be homeless in 2026 unless this scheme goes ahead. The benefits to Kidlington and the whole county would be huge and far outweigh any traffic concerns (there are only 13 home league games per season). The vast majority of fans would be able to reach the ground by train or bus, unlike at the existing stadium. Therefore it is an ideal location. It will also bring employment and much needed facilities to the Kidlington area. Oxford United is far more than just a football club, its place in the community is irreplaceable. For example, see the amazing work done by Oxford United in The Community https://ouitc.org."/>
