<b>Comments</b>	<input type="text" value="I'd like to ad my support for the proposed new ground for oxford united football club.&lt;br/&gt;&lt;br/&gt;Although I do not directly live in the area. My ex partner and my children live in cutteslowe, so I am a frequent user of this area.&lt;br/&gt;&lt;br/&gt;This area has some beautiful areas, although sadly, both Kidlington and cutteslowe are sadly lacking in investment. There isn't a lot there anymore and the area needs an injection, something that a frequently used sports ground can provide. I believe that it would lift the area for businesses and investment.&lt;br/&gt;&lt;br/&gt;I was born in Oxford. The landscape has changed over the years, which is natural with the passing of time, but the one constant is the football club, it connects the people of Oxford with the past and the present and we would like to see it provide a connection with future supporters.&lt;br/&gt;&lt;br/&gt;Whilst I realise that the triangle is a community asset, so is the football club. Look at all the initiatives in the community and charity work the club has done for Oxfordshire and the wider world.&lt;br/&gt;&lt;br/&gt;I'd love my children to feel this connection with their community as they grow up. Its a tangible thing and provides a sense of unity for the people of Oxfordshire"/>
