<b>Comments</b>	<input type="text" value="Regarding the proposed plan for the new Oxford United FC Stadium, I believe that it is imperative that this should be granted as it is in my opinion an ideal site to accommodate the structure particularly with Rail links and proximity to Park and Ride and Public Transport facilities.&lt;br/&gt;I was born and raised in Cowley and latterly Hinksey and Abingdon. I have lived in Essex for thirty plus years and have avidly supported the Club since the Sixties. I believe it is clear that the Club cannot be sustained without a positive decision on this Plan.&lt;br/&gt;As the only professional League Football side in the County I feel that every support should be given to the application."/>
