Comments	<input type="text" value="I now have 90 years on the clock and have been a supporter of Headington United (as it was) and Oxford United (as it is), for many years. Now unfortunately, as I am disabled with arthritis and hip pain, it is from the armchair. As a consequence of this I was very grateful to the club as during the Covid episode as it very kindly arranged video sessions with other supporters; and also every week Oxford United in the Community brought me coffee in preloaded cups, with biscuits, and also checked on how I was doing..

Among other things the proposal would provide jobs and also be of great benefit to the youth community.

Therefore, I have no hesitation in giving my full support for their proposed stadium."/>
