Comments	<input type="text" value="Oxfordshire needs Oxford United & without the go ahead off the new stadium I fear for the club's future. The new stadium is not only a fantastic benefit to Oxford United but to Oxfordshire as a whole. The location is perfectly placed for easy access from the entire county with wonderful public transport links (unlike the current location) , The new stadium promises to be a lot more environmentally friendly for future generations than the current one, if given the go ahead it will be fantastic news for the economy of Oxfordshire with the current hardships we face, please grant Oxford United planning permission"/> <input type="text" value="Regards
