Comments	<input type="text" value="I would like to object to this planning and OUFC as it will bring regular road closures, heavy traffic jams, massive parking issues, air and noise pollution and lots more. As a community we believe that OUFC should not be located in hight populated areas where there is already ongoing traffic and parking issues. It should be located outside the residential areas where it has scope for future expansion and can have sufficient onsite parking. We would like to strongly Object to the new OUFC as it will destroy north Oxford and Kidlington communities."/>
