Comments	<input type="text" value="I object as regular road closures will cause traffic chaos. Even without the proposed closures there will be traffic chaos & parking throughout the village and surrounding areas will be atrocious.
A commercial development of this size and scale is contrary to the Local Plan and planning policy for Green Belt sites and it will destroy a valuable biodiverse wildlife habitat.
The village and infrastructure is not equipped to welcome thousands of visitors every other weekend. Pre and post match crowds will overwhelm the village causing disruption and upset to local residents and hinder their ability to access amenities within the village, also this vast amount of supporters descending on the area will make it difficult to enter and exit the village without delays"/>
