Comments	<input type="text" value="This development will entirely change the landscape of Kidlington
The proposed road closures on match days will cause traffic chaos
As a resident of 35 years I am concerned for the proposed site and the damage to wildlife/
environment/ green belt
On match days cars will park everywhere and anywhere with no regard for residents or the
safety of pedestrians
The increased footfall and traffic will be unsustainable in a village that has very little
amenities"/>
