<b>Comments</b>	<input type="text" value="The traffic through Kidlington will unbearable for local residents. Supports will park throughout Kidkington not just near the stadium. Supporters with 10-30mikes in surrounding areas will NOT travel on public transpor as this is more hassle.&lt;br/&gt;&lt;br/&gt;There will NOT be opportunities for local football teams/schools to use the pitches as the given times that are free will no doubt be no good.&lt;br/&gt;&lt;br/&gt;I believe and new environmental search has just been completed and there is more wildlife then expected. Why are we distroyi g more green belt when local flooding is becoming more of an issue"/>
