Comments	<input type="text" value="Objection. Traffic on the Banbury Road is heavy and the proposal to close the road any home match day is impossible.
The proposal is mainly aimed at building a leisure centre to make money for the few. What happens when the club goes bust, and the overseas owners pull out?
Kidlington is to be taken over by Oxford football fans who will park everywhere and have no interest in our town.
Why cannot the club stay in the current ground?"/>
