<b>Comments</b>	<input type="text" value="I think the stadium would be very beneficial for Kidlington. It would offer support to the local youth teams as well. The players would also visit local schools to give advice on keeping fit, nutrition etc.&lt;br/&gt;I grew up in Headington very near to the old Manor Ground and we were always very proud of having 'our' football team so local to us.&lt;br/&gt;Objectors seem to ignore the fact that the green belt will be gone once the golf club is built on. If The Triangle application is refused then houses will be built on it anyway so that rather negates the 'Green Belt' objections"/>
