| Comments | <input type="text" value="Dear Councillors As a supporter of Oxford United and a resident of Abingdon, I am writing to express my full support for the proposed development of the Oxford United Stadium in Kidlington. Without this development, Oxford United could face homelessness by 2026. As a vital part of our community, it is imperative that planning permission is given to secure the future of our beloved football club. This is once in a lifetime to provide a fantastic facility for the people of Oxfordshire, especially the local people of Kidlington. From many conversations we've had with Kidlington residents, there is overwhelming support, especially from the 15 - 40 age group. Lets build something that our whole county can be proud of. Thank you for your attention to this matter, and I look forward to your response. Yours sincerely, John & Alison Maisey"/> |
