Comments	<input type="text" value="The site for the new stadium is easily accessible and many supporters have committed to travelling sustainably to matches.

The new stadium will provide fantastic facilities. The club is a huge part of our local community, providing support for many people, not just supporters attending matches (eg, children's holiday clubs, over 50s Manor Club, disability teams, individuals needing support during illness or COVID, etc).

The thought of losing our club due to no stadium is heartbreaking, especially when there is such an amazing opportunity to safeguard its future.

Please approve this planning application."/>
