Name	<input type="text" value="Helen Langrish"/>
Address	<input type="text" value="20 Poplar Close,Kidlington,OX5 1HH"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Whilst we do not want to lose the club.
Local traffic and mobility of locals to travel freely and at a time of their choice is important to the community.
Emergency services must have totally uninterrupted access at all times to maintain a safe service.
Parking is already an issue in Kidlington and I remain unconvinced that sufficient thought has been given to this aspect. The use of the park and ride as a car park needs to be rethought. as the hospital staff are being encouraged to use the park and ride buses and the car park facilities and space will become more limited. The biodiversity of the land is an important asset to the community several rare plants and wildlife have been found in recent surveys. The present infrastructure is not in my opinion able to cope and the road surfaces will decorate more quickly and will need more frequent repairs
The cost of which the local councils are not in a position to afford."/>
