<b>Comments</b>	<input type="text" value="I have been a supporter of this wonderful club for 50 years my father introduced me at the tender age of 3 sadly he no longer with us after supporting his club for over 60 years he gave me one last job to do was to make sure his grandsons carry his legacy on I support this stadium I have seen the highs and the lows of this club and we have made many memories along the way We need a new home without it we will no longer have a home and will cease trading I can understand the concerns of some people about yobbish behaviour etc but they are just a minority and Oxford United deal with them they are a club that are family orientated Think I have covered everything we need this Thankyou for reading this in advance"/>
