It is so important to me that this application is passed. I've been a supporter for 55years. My son and many other family members and friends have also support this wonderful club. As a council you should be looking at this and thinking we can't lose this club who means so much to many people.
There are very good travel links which will cut down on the traffic. They want to build a state of the art stadium that will also bring jobs to the area as well.
