<b>Comments</b>	<input type="text" value="I have been married for 43 years and for those 43 years all my husband has talked about on match days is Oxford United and he wouldn't shut up so I joined him at the games apart from later stages of my 3 pregnancies, the reason for attending is because I thoroughly enjoyed the atmosphere the cheering the booing the glee the sadness the family atmosphere that the club have installed at the ground. Meeting old and making new friends is one good reason for attending matches.&lt;br/&gt;If this is taken away from the thousands who attend each season would be criminal, thousands support the tw and thousands support the move to a bio diverse stadium which will be all electric and we would be the envy of EFL.&lt;br/&gt;We have World wide experts involved with the plans for the New stadium who will make this an easy project, the club have listened to the fans, listened to councils and even listened to the negative response to see if they can make people happy with the end result.&lt;br/&gt;The facilities that will be offered to the local and wider county residents will be the envy of lots of other EFL clubs and the facilities will benefit more in the longer term of the club.&lt;br/&gt;&lt;br/&gt;I am asking for you to support the planning application for the generations of the people who attend now and for the future generations&lt;br/&gt;&lt;br/&gt;Regards Susan Gibbs"/>
