<b>Comments</b>	<input type="text" value="I believe that this would be detrimental to the local area. It's going to cause traffic congestion. This is already a problem and the stadium will only make this worse. I am also against the road closures on match days. Why should local residents put up with this. Not everyone is a football fan. Also the nature and wildlife it will destroy is unacceptable. This is cutting into green belt and the green area between Kidlington and Oxford."/>
