<b>Comments</b>	<input type="text" value="This stadium needs to go ahead to provide the biggest community in Oxfordshire with a new home. It is vital that this land is utilised in a way that no other land across Oxfordshire can provide. It will provide major economic benefit to Kidlington and North Oxford plus it will give the younger generation of Oxfordshire much better facilities and put Oxfordshire on the map for a sports reason for the first time.&lt;br/&gt;&lt;br/&gt;This will go with the Cherwell Priorities - Supporting the community, providing a green economy, supporting growth, supporting diversity by bringing mens and women's football to the same stadium in Oxfordshire."/>
