Comments	<input type="text" value="What an opportunity to build a state of the art stadium, conference centre,hotel a wellbeing centre and more for generations in the future.
I have been an Oxford United fan/supporter for well over 45 years and as well documented Oxford United will be without a home as the present home the Kassam Stadium lease expires in 2026.
Apart from the football the new proposed complex will open up so many opportunities not just for the local community but for the county as a whole.
There will be jobs opportunities, a venue for tourists to visit adding revenue towards the local community.
On the football side of things we have responsible owners preparing to invest a huge amount of money into the club and Stadium complex.
They want Oxford United (mens team) to be a top 30 club and I certainly believe that we would fill the new ground when we get promoted to the Championship or beyond.
The new Stadium we also give the opportunity for Oxford United women's team to play there as well as the youth teams at the present time they are not allowed to play at the Kassam.
In conclusion to my comments this is a once in a lifetime opportunity not just for the football club but for the local community and the county as well.
I urge you to please offer planning permission for this wonderful opportunity.
Kind regards
Graham Holland"/>
