<b>Comments</b>	<input type="text" value="It is vital that Oxford united have a home to so many people in the community. Young, old &amp; disabled are all included in this football club and it was would detrimental to our local community to have this taken away from us all. Everything the club and the players do is for us and our community that may I say you are included in. So do the right thing and support the club, players &amp; all of the fans that contribute to our community."/>
