<b>Comments</b>	<input type="text" value="I am fully in support of this application. This is stadium will be beneficial financially and to the health and well being of the local community. The stadium is to be built with green credentials and transport links. It is the same footprint as Brentford another family club embedded in the community. This is a project that the whole of Oxfordshire can get behind and be proud of. Please support this opportunity to make a real difference to Oxford and this historical football club and the City of Oxford."/>
