Comments	<input type="text" value="Please approve this application, not just for Oxford United fans but for the future of Oxfordshire young people and the generations to come. Football is a place for communities to come together, have fun and stay active. Oxford United represents so much more than just football, with it's community and charity work across ages, genders, disabilities and cultures. We need this in Kidlington especially we are desperate for something here other than houses. Please for the sake of Kidlington and Oxfordshire future and present, approve this application. Thank you"/>
