Comments	<input type="text" value="I have been an Oxford United season ticket holder for over 40 years. And fully support the building of a new home for the team.
It would appear the location would be most appropriate all of the required transport links are already in place.
I lived for 14 years in Franklin Road , Headington just a five minute walk to the old Manor stadium, this road was used as the drop off and parking point for the visiting coaches in all my time there there were no problems with fan behaviour ironically there were more problems with parking vehicles and the pupils of the adjacent to public girl schools."/>
