<b>Type</b>	<input type="text" value="neighbour"/>
<b>Comments</b>	<input type="text" value="I struggle to see how this could this not be seen as a positive addition to the area and the city of Oxford?&lt;br/&gt;The football team is so much part of the city and this location will give fantastic access to so many fans to get to with ease - particularly by greener ways. And will encourage more to come.&lt;br/&gt;It will bring jobs and business and a great sense of pride to the community. Something many people can get behind even of outside of football.&lt;br/&gt;Such an exciting prospect! So exciting for the city."/>
