Comments	<input type="text" value="I live in Abingdon and regularly go to the Kassam. I find it upsetting that there is a possibility that this great club will not longer exist in two years time due to a few councillors objecting and constantly throwing up anything they can find to stop a new stadium being built for the Oxfordshire community, what a fantastic opportunity this is to own our own stadium and free us of the Kassam restraints over the years. it has my support 100%"/>
