Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Take away our Football Club, break our hearts. Anti-social behaviour happens in the very least at the Kassam Stadium. The last time I saw it was Bradford City fans years ago. The Lease on the Stadium is coming to an end in just 2 years which is leaving a very short time to build a new home which is very much needed for the. Club to continue its great work within the community."/>
