<b>Comments</b>	<input type="text" value="I Object strongly to this application. This proposal for a football stadium is totally in the wrong place. It will create traffic chaos on the main roads in and out of Kidlington and the visitors, in large numbers will inevitable need to find parking spaces in residential roads and in Sainsburys car park.&lt;br/&gt;The residents of Hampden and Cromwell Drives and Garden City will not want Double Yellow lines painted on the roads outside of their properties in order to prevent football visitors parking. There are many other issues which would cause problems for this village and its residents.&lt;br/&gt;There was a village VOTE last year 2003 and the MAJORITY of residents voted AGAINST the proposal.&lt;br/&gt;As there is a stadium already at Cowley the football club should approach the owner and purchase it.&lt;br/&gt;Please listen to the residents of Kidlington, I OBJECT TO THIS PROPOSAL.
