Comments	<p>1 am a 77 year old female who has been supporting OUFC since I was 8 years old. The club is everything to me and the thought of losing it is unthinkable. It gives me so much pleasure and to thousands of people. It is somewhere to go where I feel safe and enjoy the company of so many people. Many women go as well as families. It is my social life! There is talk of bad social behaviour and thuggery by opponents.THAT IS SO UNTRUE! In all the years I have gone I have NEVER seen any violence. For many years I have gone on my own and felt completely safe. Please don't take this pleasure from me.</p> <p>The new stadium is beautiful and fits in the environment. There is outdoor space with plenty of trees for people to relax in and the design enables light and sound to be kept in. Also people won't have to use their cars as their will be so much available transport. Finally don't forget the sports fields at Statford Gate. They will be maintained which they aren't now.</p> <p>Please don't let my club die Regards Christine Phasey</p>
