Comments	<input type="text" value="I object to Oxford United moving to Kidlington:

1. The main road from the village into Oxford will be impassable during matches. This is not just inconvenient but could prevent emergency access to hospital. I previously lived in Headington when Oxford United were at the manor ground and know my concerns are not unrealistic.

2. It is likely that supporters will use residential areas to park their cars, preventing residents leaving or returning home. I am concerned about alterations with supporters - this was a not infrequent occurrence when I lived in Headington and Oxford United were at the Manor.

3. The Triangle supports will life. Loss of this habitat would result in the loss of precious lives, trees and plants.

4. I remain unclear about the potential implications of running a hotel/conference centre from this site.

5. As you are aware, a survey has been carried out in the village. Over 60% of voters voted NO to Oxford United coming to Kidlington. Please could this be respected when considering Oxford United's planning application.

Thank you"/>
