<b>Received Date</b>	<input type="text" value="I fully support the Planning Application for the new football stadium on the Triangle. Oxford United is a huge asset to the Oxford and Oxfordshire community. My own children and grandchildren, along with thousands of others have benefited greatly from courses run by the club and are lifelong supporters. In addition, the club will improve and maintain sports pitches at Stratfield Break, again benefiting a large number of young people in the county and resulting in a significant financial saving for the local council. The Triangle is ideally situated adjacent to Oxford Parkway Station with rail links to the whole country and bus links to all the Park and Ride sites around Oxford. Please support this application."/>
