<b>Comments</b>	<input type="text" value="Currently myself and my 10 yo son ( and ad hoc friends) have to drive to the Kassam . Looking forward to being able to take the train saving a round trip of over 60 miles a game via car. Will keep adding to the Oxon economy by going into Oxford first for some matches. Although in a neighbouring County have always enjoyed travelling and introducing others to do the same. The Club has a massive opportunity, as does Oxon , of hosting top quality events and having top class facilities for the wider public. It's such a great position to be madness to turn down such a once in a lifetime chance."/>
