<b>Comments</b>	<input type="text" value="The catastrophic impact on traffic, parking, movement around Kidlington and the surrounding area for residents and visitors will be immense.&lt;br/&gt;&lt;br/&gt;There is absolutely no way that those attending matches will abide by the notional plan to use public transport, the resources for which are in themselves sub-sufficient, and will inevitably resort to parking around the housing estates closest to the proposed stadium, blocking access for residents and their visitors and causing mass disruption to day-to-day life in the village.&lt;br/&gt;&lt;br/&gt;This is in addition to the mass destruction of critical greenbelt land, natural habitats and sustaining environments for wildlife.&lt;br/&gt;&lt;br/&gt;In short, there are insufficient resources to effectively support the proposal, the environmental impact of which will be huge."/>
