Comments	<input type="text" value="I started playing for my village's under-8s football club this year and would like to see the Oxford United Women's team play together with the men at the same stadium so it is more fair. I am inspired by the OUFC Women and the Lionesses and the new stadium will get more girls like me to play sport and stay fit and happy. The new stadium looks beautiful and will mean that I can go to games with my Mummy and Daddy on the bus. At the Kassam we go in the car as the buses don't go there. Please make the new stadium happen to help children in Oxfordshire. Thank you."/>
