<b>Comments</b>	<input type="text" value="As a Bicester resident I would travel to the stadium from Bicester Village station to Oxford Parkway. The stadium in in an excellent location being next to so many public transport routes, park and rides and cycle routes, this will help to reduce car usage on match days significantly.&lt;br/&gt;&lt;br/&gt;It also has great facilities for the locals in the gym, health centre, and conference suite, as well as opening up currently inaccessible green space for public use.&lt;br/&gt;&lt;br/&gt;It will be the most sustainable stadium in the country and a huge asset to the Oxfordshire community."/>
