Comments	<input type="text" value="I am a 25 year old male from Bicester, I have been going to Oxford games since I was 4 years old. If Oxford United don't get the planning permission to build this new stadium complex then Oxford United will die. I have met 100s of people from going to Oxford games and during a period of time a couple of years ago I had a really dark period and going out weekly to meet friends at the football was a massive thing for me, if Oxford United die that wouldn't have happened."/>
