<b>Comments</b>	<input type="text" value="Please save oxford United. It means so much to many people and their families around oxford. Destroying it would be silly to say the least. Oxford United isn't just a football club, it's a community. There is a massive academy filled with young ambitious kids wanting to play for oxford. Destroying the club would massively harm their futures and dreams. So it's not just about the football team, it's about the community and not giving us the stadium and demolishing OUR club would be DEVASTATING to thousands of people."/>
