<b>Comments</b>	<input type="text" value="As a lifelong Oxford united fan a new home for the club is vital for the future of football in the county. Without a league club in the county football will not exist.&lt;br/&gt;As a youngster I lived in st Clements just a 10 minute walk from the old ground and I feel that the triangle would bring back the same community feel that existed during the glory period of the club.&lt;br/&gt;Also it is a great opportunity for local school leavers to be given the chance to work and hopefully given the first opportunity to do so."/>
