<b>Comments</b>	<input type="text" value="I am a staunch Oxford united support who has travelled home and away for the last 35 years.&lt;br/&gt;It's time we, as a club finally have a place we can call home in the new stadium. Away from the clutches of Mr Kassam.&lt;br/&gt;With the plans be a sustainable all electric stadium, I feel it shows that not only are we thinking of the club but also the community of Oxford. With great access via the train station I would be able to leave the car at home and travel on public transport.&lt;br/&gt;Without this stadium we will be left homeless, meaning we are at risk of losing our club. This stadium is for our future, our children's future."/>
